

<p><u>TRAILBILT</u></p> <p>Receiver Winch Mount Kit</p>	<ul style="list-style-type: none"> • Compact portable receiver winch mount for use on SUVs, ATVs, UTVs, trailers, truck beds, etc. • Patented set-back design positions the winch above the receiver mount. This feature is ideal for mounting where space is limited such as, above bumpers where off-road approach or departure angles won't be affected. • This standard winch mount kit comes with removable receiver hitch extension and pins to be used where set back feature is not desired, such as on rear receiver hitches positioned below the bumper. • Heavy Duty ¼" steel, all welded construction, black powder coat finish, fits 2" receiver, for winches up to 9000lbs with mount pattern of 4.5" X 10". Most hawse or roller fairleads will fit. Winch and fairlead not included. • Custom drilled mount holes to fit Warn 9.0Rc Rock Crawler(TM) winch mount pattern 6" x 4.5" available upon request, no additional charge. 	<p>Part# RW9KIT</p>	<p>\$165.00</p>
